

Écriture manuscrite

Voici un exemple d'écriture manuscrite du hangeul.

Exemple

A photograph of a piece of lined paper with handwritten Korean text in black ink. The text is written in a casual, cursive style. The first line reads '또 보자^^!' and the second line reads '너의 친구가, 한국에서!'. There are small pink and purple markers under the first two characters of the first line. The paper has a yellow dashed line for a baseline.

On peut lire « 또 보자 ^^ ! 너의 친구, 한국에서 » ce qui signifie « à bientôt ^^ ! ton ami, de Corée »
